

## **Full-Time Pediatrician**

The Pediatric Center of Southwest Louisiana is actively recruiting a Pediatrician to join us and become part of our TPC team. This is an exciting opportunity to be a part of a highly respected medical group and find your home in Southwest Louisiana. This new physician (board certified or board eligible) will work side by side with recognized mentors in a modern practice, along with a highly efficient management team to help you achieve your goal of providing high-quality healthcare to children. Due to growth in the community and planning for the future, an opportunity exists to be part of a lucrative practice currently consisting of seven Pediatricians, three nurse practitioners, one Physician Assistant, and an in-house mental health program consisting of two licensed therapists. The Pediatric Center has a large established panel of patients from all over Southwest Louisiana and operates clinics in Lake Charles, Sulphur, and Moss Bluff.

We believe there are many good reasons to consider joining us at The Pediatric Center, including:

- Security of employment with a long-term, stable organization
- Competitive compensation package with bonus opportunity
- Paid time off
- CME stipend
- Malpractice coverage
- Medical healthcare coverage
- Retirement plan (401K) with company match
- 4.5-day work week with weekend coverage in rotation with other providers
- Call coverage in rotation with other providers with hospital rounds only in the Newborn Nursery. (No NICU or attending deliveries)
- Local Hospitalists available for inpatient admissions.
- Electronic Medical records system to maximize technology utilization.
